

FLOWER PARTNERS

We invite you to join your neighbors from Forestport to Raquette Lake in this Eleventh Year of the CAP-21 Hanging Flower Baskets Project!

NEW ORDER FOR SUMMER 2009!

In 1999, one person inspired a small group to start a *Hanging Flower Basket Beautification Effort* in business districts along the Rt. 28 corridor from Forestport to Raquette Lake. Through public/private sponsorship and many, many volunteer hours, 112 baskets were hung that first summer. Nine years later this effort has grown into a regional model of cooperation with over 400 baskets gracing our main roadway and the hamlets of Stillwater and Raquette Lake last year and now Big Moose has joined our team! Each June 40-50 volunteers meet to pot and hang each basket. They are then watered and care for throughout the summer by a team of 50 volunteers.

A new basket may be ordered for \$45/basket there after renewal cost is \$20. Additional donations of any amount will be used to purchase extra baskets and to replace damaged baskets and/or hardware. Contributions are needed in all towns for renewing and maintaining the current numbers of baskets.
